AGRICULTURAL DEPARTMENT

From
Sri M.Kanti Raj, M.A., B.Sc(Edin).,
Director of Agriculture,
Chepauk, Madras.

To
The Secretary to Government,
Food and Agriculture Department,
Fort St.George, Madras.

No.X.3.371/51 Dated 18th April 1951.

Ref: 28087 / 1914.

Sir,

Sub: Agriculture - Stations - Paddy Breeding Station, Mangalore Continuance of staff - proposals.

Ref: (1) G.O.No.80 Food and Agriculture Department dated 10-1-1950. not published.
(2) G.O.No.Ms.840 Food and Agriculture Department dated 3-5-1950 not published

In the G.O. cited Government sanctioned the following staff for the Paddy Breeding Station, Mangalore for a period of one year from the date of employment:--

i) One Superintendent (Gazetted).
ii) One Assistant.
iii) One Store ~~Keeper~~ Clerk.
iv) One peon.

2. The scheme should be deemed to have started on 15-5-1950 forenoon as the Gazetted Superintendent appointed for the scheme joined duty on that date. The present sanction therefore expires on 15-5-1951. The post of an Assistant sanctioned in the scheme was not filled up as the land acquisition proceedings were pending with the Revenue Department. The Superintendent, Paddy Breeding Station, Mangalore has since reported that an area of 14.00 has been handed over to this department. The remaining area to be acquired is still to be made available by the Revenue Department.

The following staff may please be sanctioned for a period of one year from 16-5-1951:--

i) One Gazetted Superintendent.
ii) One Assistant.
iii) One clerk typist (instead of one store clerk as it exists)
iv) Three peons (one additional peon asked for, over the existing strength).

4. The post of a clerk-typist is found necessary at this station (instead of one store clerk under the existing sanction) in order to cope up with the increase of work in fair copying. This proposal will involve an extra expenditure of Rs.120/- only per year, being the allowance of the typist. This may please be approved. Sanction of a typewriter for the office of the Superintendent, Paddy Breeding Station, Mangalore may please be granted.

5. The paddy Breeding Station is situated at Kankanady, nearly two miles from the Research Station and town. There are at present only two peons. One is a personal peon of the Superintendent and the other is on office duty. The peon on office duty has to attend to treasury duty in addition to the work of taking tapals to and from the Post Office. The result is that for a great part of the day there is no peon in the Office. Hence one additional peon is found essential. The extra expenditure on this account would come to Rs.432/- per year as detailed below:

Pay Rs. 18 x 12	= Rs.216/-
Dearness allowance Rs.18 x 12	= Rs.216
	432/-

This may please be sanctioned.

In G.O. Ms 80 F&R dated 10-1-50, sanction was accorded to the employment for a period of one year of the temporary posts of one Gazetted Supdt., one Assistant, one store clerk and one peon for the Paddy Breeding Station, Mangalore. As the above staff were appointed on 15-5-50 and the period of sanction of the above staff expires on 15-5-51. The D.A. has now requested that the above posts may be continued for a further period of one year from 15-5-51. He has however stated, requested that the post of a clerk-typist is necessary in order to cope up with the increase of work in fair copying. He has therefore requested that the post of a clerk-typist may be sanctioned instead of the existing post of one store-clerk. The extra cost would amount to Rs 120/- p.a. being the allowance of the typist. In the circumstances it is for orders whether the (Continuance of the) temporary posts of one Gazetted Supdt., One Asst., one peon ~~and~~ and the conversion of the post of store-clerk into that of clerk-typist may be accepted. After orders are passed, the case may be sent to Finance for remarks.

With reference to the proposal for the sanction of a typewriter and two peons for the Paddy Breeding Station at Mangalore, it is submitted that the section is concerned. Necessary extracts may be given to Stat Section for dispatch after approval of U.S.

The purchase of a typewriter will depend upon the conversion of the store clerk into clerk-typist. Hence orders on the question of conversion of the post, purchase of typewriter and sanction

L/K

The posts are proposed for the Paddy Breeding Station, Mangalore and therefore 'K' is concerned. Original sanctions should be dealt with by K and only Continuance of posts dealt with in L. That is why K is concerned with the Creation of two posts of peons for the Paddy Breeding Station, Mangalore vide O.O. at (B) below.

K. Section.

With reference to A. above it is submitted that action has to be taken in this Section on the following points:—

(1) Conversion of the post of a Store clerk into the post of a Typist;

(2) Sanctioning of an additional post of one peon only; and

(3) Purchase of a typewriter.

In the circumstances reported by the D.A., these proposals may also be approved. It is submitted that it seems desirable to issue a consolidated order on all the proposals of the D.A. in the first for the sake of convenience. The L Section may therefore consider the question of issuing a consolidated order, particularly because the proposals of the D.A. are not very complicated. If they are not disagreeable to this suggestion, relevant facts may be given to this Section as suggested at A above. For orders.
